---

The Mission of the Faculty of Commerce and Management is “to be the leader in management education committed to the highest standard of teaching, learning and research to contribute to the holistic development of the society with concern for quality and teamwork”.

---

## **MESSAGE FROM FACULTY OF COMMERCE AND MANAGEMENT**

It is our great pleasure that we, the staff of Faculty of Commerce and Management, welcome you all into our well-organized academic stream. Our faculty is one of the prominent faculties that offers well designed programmes to make students competitive and employable in the current labour market. The primary learning objective of the degree programmes is to brand our students to be excellent in management and business studies and practices.

In a competitive environment in general, graduates are expected to be competent with wide range of knowledge, skills and attributes. Therefore, the Faculty of Commerce and Management intends to enlighten our undergraduates to be in the right endeavour by developing their distinct competencies with human values and professionalism, which lead them to be successful, globally employable and entrepreneurial graduates in the dynamic environment. It is our responsibility to ensure that all students have acquired the required knowledge, skills and attributes stated in the graduate profile of the Faculty of Commerce and Management. In this context, all of us are very keen to extend our fullest support to students to achieve the intended learning outcomes of the study programmes of the Faculty in alliance with the University Vision, Mission, Goals and Objectives.

Nevertheless, students' commitment, enthusiasm and discipline are very much essential to be excellent graduates in the field of Commerce and Management education. However, in addition, students are expected to involve in co-curricular activities, such as sports, cultural activities, community services etc., which can pave the way for enriching them with positive qualities as to be exclusive from others. Further, students are expected to pay attention in maintaining professionalism, displaying moral values and ethics. This practice will enhance their characters that lead to reach their goals.

Working hard for acquiring knowledge by students is the key instrument to achieve the learning outcome. Our university motto is consistent with the same. Our staff

always welcome you all for supporting your learning. Hence, we hope you all are very keen to be committed to develop your personality to be civilized citizens as worth as professionals for our nation.

We wish you all success and expect you all to be a role model to others.

**Staff**

## **EASTERN UNIVERSITY, SRI LANKA**

---

The Eastern University, Sri Lanka (EUSL) has been functioning for over 39 years and currently occupying over 5000 students hailing from different communities. EUSL operates with six Faculties, namely, Faculty of Agriculture, Faculty of Science, Faculty of Commerce and Management, Faculty of Arts and Culture, Faculty of Health-Care Sciences, Faculty of Technology. Further, it has a campus at Trincomalee with two faculties, Faculty of Communication and Business Studies, and Faculty of Applied Science. The EUSL controls an institute called Swami Vipulananda Institute of Aesthetic Studies located in Kallady, Batticaloa.

The EUSL was established with name of Batticaloa University College on 01.08.1981 with two faculties, Faculty of Science and Faculty of Agriculture. On 01.10.1986, the University College was elevated to the university status under the name of Eastern University, Sri Lanka. In 1988, two new faculties, Faculty of Commerce and Management and Faculty of Cultural Studies were established. Later, the Faculty of Cultural Studies was renamed as Faculty of Arts and Culture. Thereafter, the Swami Vipulananda Institute of Aesthetic Studies was adjoined with the EUSL as its institute in 2002. The EUSL established the Faculty of Health-Care Sciences In 2006 and Faculty of Technology in 2017 as milestones.

The University's motto, "Per Ardua Ad Scientiam", explains the meaning that "KNOWLEDGE through HARDWORK", i.e. giving distinct energy for the learners by realizing the importance of hardworking towards achieving highest academic standards in their career.

The EUSL strives to achieve its vision of that

*"To be the center of excellence for higher learning in Sri Lanka".*

The vision of EUSL is substantiated with its mission of that

*"To facilitate learning, research and dissemination of knowledge to produce competent graduates through conducive environment with industry-community collaboration to serve socio-economic, and cultural needs of the community".*

Hence, the EUSL staff work with common direction of pursuing excellence in teaching, research and scholarships. This will pave the ways for providing an unsurpassed range of opportunities for education and training to all those who will be able to benefit and enhance public welfare, prosperity and culture. Hence, the EUSL is very much concerned about creating sustainable socio-economic livelihood by disseminating the knowledge, to lead the people well equipped with inner talents and skills, thus leading to regional and national development.

## **FACULTY OF COMMERCE AND MANAGEMENT**

---

The Faculty of Commerce and Management (FCM) contributes to achieve the vision and mission of the Eastern University, Sri Lanka by functioning towards the direction of “to be the trailblazer in creating excellence in managing the resources to the dynamics of the society through innovative modes”. The FCM was established in 1988 as the third Faculty in the Eastern University, Sri Lanka. The Faculty consists of three departments, namely, Department of Management, Department of Commerce and Department of Economics. It offers undergraduate and postgraduate degree programmes in various disciplines. Presently, the Faculty offers the degrees of Bachelor Business Administration Honours (BBA, Hons), Bachelor of Commerce Honours (BCom, Hons) and the specialized degree programmes of BBA Honours in Human Resource Management, BBA Honours in Marketing Management, BCom Honours in Enterprise Development, BCom Honours in Accounting and Finance and BCom Honours in Business Economics. The two postgraduate programmes, namely the Master of Business Administration (MBA) and Master of Development Economics (MDE) are also being conducted. Further, the faculty offers an external degree named Bachelor of Business Management (BBM). Nearly, 1200 students who are hailing from different ethnic communities from all parts of Sri Lanka have enrolled in these study programmes. The Faculty of Commerce and Management also has linkages with several other universities and institutions within Sri Lanka and outside the Sri Lanka.

## **2.1 Vision of the Faculty of Commerce and Management**

The Faculty of Commerce and Management (FCM) contributes to achieve the vision of EUSL by functioning with its vision of

“to be the trailblazer in creating excellence in managing the resources to the dynamics of the society through innovative modes”.

## **2.2 Mission of Faculty of Commerce and Management**

The Mission of the Faculty of Commerce and Management is

“to be the leader in management education committed to the highest standard of teaching, learning and research to contribute to the holistic development of the society with concern for quality and teamwork”.

## **2.3 Faculty Board of Commerce and Management**

Faculty Board of Commerce and Management, Eastern University, Sri Lanka is the academic authority of the Faculty of Commerce and Management. The major functions of the Faculty Board are regulating of the teaching, courses of study, examinations and research within the Faculty subject to the control of the Senate of the University.

The Faculty Board is basically a support agency of the Senate and its academic role is very important as most of the recommendations of the Senate are based on reports originating from the Faculty Boards. A Faculty Board headed by a Dean shall consist of the following persons: Professors, Associate Professors, Senior Lecturers, Lecturers, two Probationary Lecturer representatives, two student representatives and three external members appointed by the Faculty.

## **2.4 Faculty Linkages**

The faculty has made links with the following Universities and Professional Institutions both in Sri Lanka and abroad to develop its resources and capabilities, to enhance the strengths, and to consolidate the position to achieve excellence.

1. Department of Business Administration, Annamalai University, India.
2. Sri Sairam Institute of Management, West Tambaram, Chennai.
3. University of Sri Jayewardenepura, Sri Lanka (USJP).

4. Securities and Exchange Commission, Sri Lanka.
5. Institute of Certified Management Accountants, Sri Lanka

## **2.5 Publications**

### **2.5.1 Journal**

The Faculty of Commerce and Management publishes a refereed Journal “**MENTOR**” (Journal of Business Management- Online) biannually.

### **2.5.2 Magazine**

The Department of Economics annually publishes a magazine named, “Coormai” (Online)

Students of FCM annually publish a magazine named, “Illakku”

### **2.5.3 Newsletters**

Department of Management and Department of Commerce biannually publish newsletters named, “Leader” and “Thedal” respectively.

## 2.6 Organization Structure of the Faculty

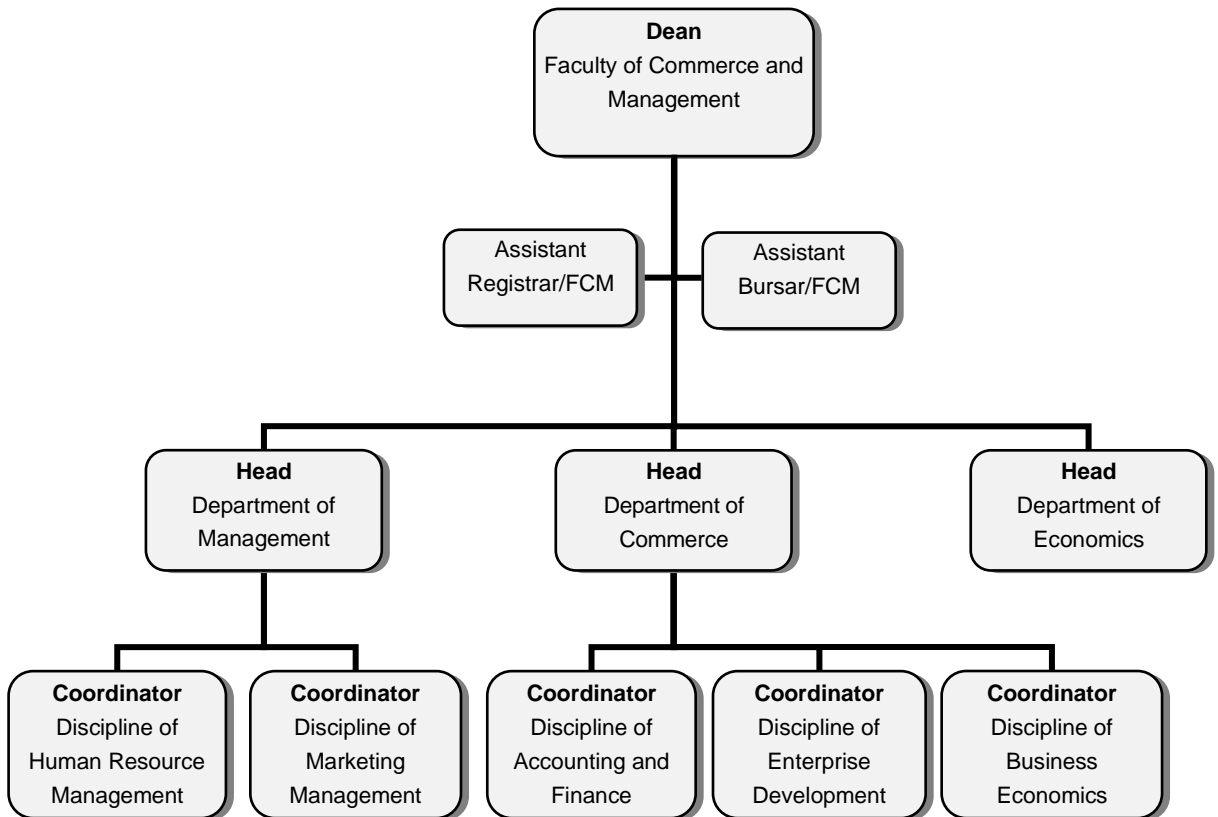

Figure 1: Organization Structure of the Faculty

## **LEARNING PROSPECTS OF THE DEGREE PROGRAMMES**

---

The primary learning aim of the degree programmes is to brand students to be excellence in management and business education. ## **ADMISSION OF STUDENTS TO THE FACULTY**

---

### **4.1 Registration**

Every student admitted to the university may register for the programme of study offered to him/her, to follow its first year of study at the University. A student registered for the course of study shall not be permitted neither concurrent registration for any other course of study, registration for appearing for any external examination without the prior approval of the Senate.

The University expects every registered student to maintain and enhance the good name and reputation of the University.

### **4.2 Re-registration**

All students must renew the registration for every year of the study before the commencement of each academic year. A student shall only be allowed to register to the subsequent years of study if the student gets applied and sat for both end semester examinations of course units of previous years of study. Re-registration forms are available at the Office of the Senior Assistant Registrar, Examinations and at the Reception Desk in the Administration Block.

### **4.3 Student Identity**

All students will be given an Identity Card and a Student Record Book. The students are advised to produce his/her Identity Card when requested by any officer of the University and while attending to official matters in the University. Therefore, students should have their Identity Cards with them at all the times. The records of registrations and examinations are maintained by the Senior Assistant Registrar, Examinations in the Student Record Books.

#### **4.4 Cancellation/ Postponement of Registration**

A student shall be permitted to defer a year of study not more than one year due to the illness or any other reasonable causes prescribed by the Senate. A student shall lose the validity of registration in case the student is continuously absent on following the course units for more than one month without proper notification to the Faculty Board and the Senate. Further, the registration of those students who cannot complete the Degree/Diploma requirements within the stipulated time will automatically be cancelled.

#### **4.5 Student Guidance**

The Senior Student Counselor and the Student Counselors provide assistance and guidance to students on matters relating to outside their academic activity, such as, adapting new students into the University environment, guidance in relation to accommodation, Mahapola, Bursaries and handling personal issues of students.

## DEPARTMENTS AND ACADEMIC PROGRAMMES

---

### 5.1 Overview of Departments and Academic Programmes

The faculty of Commerce and Management of the Eastern University of Sri Lanka has three departments which have the capacity and responsibility to offer the respective degree programmes. The faculty initially enrolls students into two primary degree programmes, namely, Bachelor of Business Administration Honours and Bachelor of Commerce Honours. Later, from the third year of study, it offers students with opportunity for enrolling into Honours degree programmes in specialized field of study based on their preference and earned learning merit. These specialized degree programmes are highly supportive to students in bringing out their variety of skills hidden in them. Further, it is also helpful to them to capture career opportunities prevailing in the global environment in various sectors. Table 1 shows the details of such degree programmes offered by respective departments.

Table 1: Degree Programmes and Academic Departments

Academic Department	Degree Programmes	Abbreviation
Department of Management	Bachelor of Business Administration Honours	BBAHons
	Bachelor of Business Administration Honours in Human Resource Management	BBAHons (Human Resource Management)
	Bachelor of Business Administration Honours in Marketing Management	BBAHons (Marketing Management)

<b>Department of Commerce</b>	Bachelor of Commerce Honours	BComHons
	Bachelor of Commerce Honours in Accounting and Finance	BComHons (Accounting and Finance)
	Bachelor of Commerce Honours in Enterprise Development	BComHons (Enterprise Development)
<b>Department of Economics</b>	Bachelor of Commerce Honours in Business Economics	BComHons (Business Economics)

## 5.2 Programme Structure

The degree programmes consist of 120 credits of course units consisting of core course units, and elective course units and additionally 6 credits of auxiliary course units. The course units are structured in four academic years of study namely first year, second year, third year and fourth year. Each year of study has a minimum duration of one calendar year consisting of twelve months. Each year has two semesters. Each semester has a duration of six calendar months consisting of twenty-six weeks. A semester shall include fifteen weeks of teaching and learning sessions, one week of mid semester vacation, two weeks of students' self-review of learning, four weeks of semester end examinations, and four weeks of end semester vacation.

The degree programmes consists of core or compulsory course units, optional or elective course units, and auxiliary course units to be followed by students. Each course unit is identified by a code. The core course unit code includes a three-letter abbreviation indicating either department or discipline responsible offering the course units, followed by a four-digit number denoting the year of study, serial number and the number of credits of the course units respectively. Similarly, optional and auxiliary course units are coded by the abbreviation of COC and AUX respectively followed by four-digit number indicating the year of study, serial number and the number of credits.

Abbreviation used for the course units are:

Name of the Department/Discipline	Abbreviation	Offering Department
Management	MGT	Department of Management
Marketing	MKT	
Human Resources Management	HRM	
Commerce	COM	Department of Commerce
Accounting and Finance	DAF	
Enterprise Development	DED	
Economics	ECN	Department of Economics
Optional Courses	COC	Other Departments
Auxiliary Courses	AUX	

Volume of learning is defined by a credit unit. One credit unit is equivalent to 50 notional hours of learning for both taught and practical course unit. The 50 notional hours of learning for a taught course unit consists of 15 hours of class room lectures and 35 hours of independent learning by students. The 50 notional hours of learning for a practical course unit consists of 30 hours of practical sessions and 20 hours of independent learning by students. In case of industrial training and research, one credit is considered equivalent to a minimum of 100 notional hours.

### **5.3 Minimum Requirements for enrolling into Honours degree programme in the specialized field of study**

Students admitted to the Basic two courses of study namely Bachelor of Business Administration Honours and Bachelor of Commerce Honours shall be offered common course units in the first and second years of study and from the third year onwards, students shall be admitted to relevant Honours degree programmes in specialized field of study. Those students who are admitted to Bachelor of Business Administration Honours shall be allowed based on performance criteria to enroll into Bachelor of Business Administration Honours in Human Resource Management or Bachelor of Business Administration Honours in Marketing Management. Similarly

those students who are admitted to Bachelor of Commerce Honours shall be admitted based on performance criteria to enroll into Bachelor of Commerce Honours in Accounting and Finance or Bachelor of Commerce Honours in Enterprise Development or Bachelor of Commerce Honours in Business Economics. However, those who are not qualified for enrolling into Honours degree programme in the respective specialized field of study shall be allowed to continue the study in the basic degree programmes of Bachelor of Business Administration Honours and Bachelor of Commerce Honours. The details of minimum requirements for enrolling into Honours degree programme in the respective specialized field of study are shown in Table 2.

Table 2: Minimum Requirements for enrolling into Honours degree programme in the specialized field of study

<b>Honours Degree Programme in specialized field of study</b>	<b>Required Performance</b>
Bachelor of Business Administration Honours in Human Resource Management	At least 'B' Grade in HRM 2033 Human Resource Management
Bachelor of Business Administration Honours in Marketing Management	At least 'B' Grade in MKT 2013 Marketing Management
Bachelor of Commerce Honours in Accounting and Finance	At least 'B' Grade in DAF 2043 Advanced Accounting
Bachelor of Commerce Honours in Enterprise Development	At least 'B' Grade in DED 2013 Entrepreneurship Development
Bachelor of Commerce Honours in Business Economics	At least 'B' Grade in ECN 2023 Macro Economics

Students shall be streamlined to these honours degree programmes in the specialized field of study based on their overall first and second year of academic performances and their preferences. "Students Guidance Committee", which consists of the Dean of the Faculty, Heads of the Departments and Senior Lecturers and Senior Assistant Registrar Examinations scrutinize and recommend the

students for respective honours degree programmes in the specialized field of study.

Students should complete their first and second year of degree Programmes at first attempt and fulfill the other requirements in the second year of study as stipulated in the Table 2, to be eligible for the honours degree programmes in the specialized field of study.

## **5.4 Department of Management**

The Department of Management is the centre for Management education and research in the Eastern University, Sri Lanka. Management education was first taught at EUSL in 1988, and is now offered in a full array of undergraduate degrees, postgraduate diploma, and master degree programmes, taught by the most experienced and best qualified lecturers in Sri Lanka.

The Management department is responsible for offering three degree programmes for the undergraduates. They are,

- 1 Bachelor of Business Administration Honours
- 2 Bachelor of Business Administration Honours in Human Resource Management
- 3 Bachelor of Business Administration Honours in Marketing Management

### **5.4.1 Course Structure for Bachelor of Business Administration Honours Degree programmes**

The First and Second years of study have the common course units for all the above undergraduate study programmes offered by three Departments of the Faculty. The Third and Fourth Years of Study Programmes contain the specific course units for the above three degree programmes and major course units offered by the Department of Management. Table 3 to Table 11 provides the details of course structure for 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> Year study of the degree programmes.

### 5.6.1 Staff Profile of the Department of Economics

Dr S Jeyarajah	Head of the Department & Senior Lecturer I
Mr. A Soundaralingam	Senior Lecturer I
Dr. T Bhavan	Senior Lecturer I
Ms. S Maheswaranathan	Senior Lecturer I
Mr. K Pushpakaran	Senior Lecturer I
Ms. J Suresh	Senior Lecturer I
Ms. G Kajenthini	Lecturer (Probationary)

## **5.7 Description of Course Units**

### **MGT 1013 Management Process and Practice**

This course unit is designed to provide students with knowledge of theories, principles and concepts of management and its practices for effective and efficient utilization of resources in order to achieve the organizational goals, and to impart knowledge on the role and managerial functions of planning, organizing, leading and controlling with current and emerging trends. Contents: Introduction to Management, Management and Organization, Evolution of Management Thoughts, The environment and Culture of Organization, Managing in a Global Environment, Social responsibility and organization, Diversity, Planning, Managers as decision makers, Foundation of planning, Strategic Management, Organizing, Leading, Managing Interpersonal Relations and Organizational Communication, Motivation and Employee Performance, Managing Leadership and Influence Processes, Controlling, and Special Perspectives of Management.

### **MGT 1022 Computing Theory and Application - I**

This course unit is designed to provide students with knowledge of fundamentals of Information Technology (IT) to enable them to appreciate, use, and understand the ideas of IT, as well as use them as a tool to create digital contents, to expose students to the main computer applications used in business, and to enable them to be able to choose the appropriate application(s) for a given task. Contents: Overview of computer systems, Overview of computer architecture and organization, Hardware in practice, Overview of computer software. PRACTICAL contents: Introduction to Word Processing and Presentations.

### **MGT1032 Computing Theory and Application - II**

This course unit is designed to provide students with knowledge on fundamentals of Information Technology (IT) to enable them to appreciate, use, and understand the ideas of IT, as well as use them as a tool to create digital contents. It also to expose students the main computer applications used in business and enable them to be able to choose the appropriate application(s) for a given task. Contents: Theoretical:

Fundamentals of computer networks and Internet, Introduction to database design, Computer security and best practices, Impacts of computers and computing on individuals and on the society. Practical: Graphics and Web Development Spreadsheets, and Presentations.

### **MGT 2042 Management Information System**

This course unit is designed to (i) provide students with theoretical knowledge and practical applications on management information systems and how computer based information systems can be utilized to gain competitive advantage in the dynamic business environment, and (ii) improve students' managerial and social skills with positive attitudes. Contents: Information Systems in Global Business Today, Global E-business and Collaboration, Information Systems, Organizations, and Strategy, Using Systems for Competitive Advantage, E-commerce, Digital Goods, E-commerce, IT Infrastructure and Emerging Technologies, Foundations of Business Intelligence, Wireless Technology, Ethical and Social Issues in Information Systems, Information System Success and Failure, Securing Information Systems and Current Trends in Management Information System.

### **MGT 2053 Management Science**

This course unit is designed to (i) provide students with the knowledge of a comprehensive and concise introduction to the key techniques and problem structuring methods used within Management Science which are needed for managers to make effective and efficient decisions in the managerial context, and (ii) improve students' managerial and social skills with positive attitudes. Contents: Introduction to Management Science, Linear programming: Foundations, Linear Programming, Simplex Method, Transportation Technique, Assignment Technique, Network Analysis-I, Network Analysis-II, Time and Cost Analysis, Inventory Models, Decision Analysis, and The Future of Management Science.

### **MGT 3063 Public Management**

This course unit is designed to provide students with depth knowledge and understanding about the nature and types of public organizations, their structural features, basic administration rules and regulations, and local

government/district/provincial administration. Contents: Introduction to Public Management, Theory & Practice of Politics, Administrative Techniques, Introduction to Political System and Institutions, Introduction to Public Finance & Budgeting, Supervisory Management Techniques, Introduction to Public Policy, Public Financial Management, Local, Provincial & Municipal Government, Concepts of Local, Provincial & Municipal Government, Practices in Local, Provincial & Municipal Government.

Socializing capital, Moral capital and leadership, Actions, moral capital's basic currency, Habits, moral capital's compound interest, Character, moral capital's investment bond. The legacy of character, Lifestyles and moral capital estates, Corporate Governance and Ethics.

### **DED 4113 Technopreneurship**

This course unit is designed to provide students with knowledge on the fundamental issues related to starting and managing technology-based new ventures to encourage students to consider how technology-based solutions can solve economic and socially oriented problems. Contents: Entrepreneurial motivation, Entrepreneurial creativity, Entrepreneurial opportunities and the "inevitabilities", Business models, Platform standards, Intellectual property search Techniques, Mobile and Web Programming, Entrepreneurial role and identity, Entrepreneurial journeys, Business Model Review.

### **ECN 1013 Microeconomics**

This course unit is designed to provide students with knowledge on basic micro economic concepts. Contents: Introduction to micro economics: basic concepts of demand and supply theory Determinants of Demand and Supply; Theory of Demand: Utility theory of Demand Application of Indifference Curve, Substitution and Income Effect, Revealed Preference Theory; Production and Cost Theory: Long-run Production Function, Cobb-Douglas Production Function, Traditional Long-run Production Function, Modern Cost Theory; Market Structures: Perfect Competition – short and Long run, Monopoly –short and Long run, Monopolistic Competition, Oligopoly; Markets for Productive Resources, Demand and Supply in Resource Markets, Distribution Theory and Wage Determination: Perfectly Competitive Labour Market, The Supply of Labour, The Upward sloping supply of Labour, The Backward bounding Supply Curve of Labour, Monopsony Labour Markets

### **ECN 2023 Macroeconomics**

This course unit is designed to provide students with knowledge on macroeconomic conditions such as unemployment, inflation, and growth to understand how

monetary policy and fiscal policy can be used to influence short-run macroeconomic conditions. Contents: Introduction to macro Economics, Classical Theory of Output and Employment. National Income Accounting, Determination of the level of output and Income, The Alternative theories of Consumption Function, Theory of Investment, Unemployment and the Phillips Curve, Balance of Payment and Exchange rate.

### **ECN 3033 Managerial Economics**

This course unit is designed to provide students with knowledge on the central decision problems that managers' face in manufacturing and service sectors, and construct knowledge to facilitating decision making. Contents: Introduction, Demand Estimation with Regression Analysis, Forecasting Methods and the Firm, Production Analysis, Cost Analysis, Market Structure and Pricing Strategies.

### **ECN 3043 Econometrics**

This course unit is designed to provide students with knowledge on basic regression techniques used in economics emphasizing on parameter estimation and hypothesis testing in economic applications. Contents: Introduction to Econometrics, Data, Review of Probability and Statistics, Simple Regression, Multiple Regression, Problems of Application of the linear regression model.

### **ECN 3052 Banking and Finance**

This course unit is designed to provide students with knowledge on banking and financial sector which will prepare students for the requirements of the sector. Contents: Commercial Banking, Central Banking, The function of Financial markets, The capital market, The money market, Financial markets and their economic functions, Financial intermediaries and their functions. Financial markets and Interest Rates, Fundamentals of finance, Basics of NPV Analysis, NPV Decision Rule, Independent and Interdependent Projects, Power of Discount Rate, Equivalent Annual Annuity Approach, NPV Profile. Other Financial Attractiveness Criteria.

### **ECN 3063 Research Methodology in Business Economics**

This course unit is designed to provide students with knowledge on steps involved in research process in social sciences, the application of research methods in the field of business economics. Contents: Introduction to research and research process, Formulation of a Research Problem, Conceptualization of a Research Design, Methods of Data Collection, Sampling Methods, Writing a Research Proposal, Methods of Data Presentation and Analysis, and Writing a Research Report.

### **ECN 3073 Monetary Economics**

This course unit is designed to provide students with knowledge on concepts and theories of money, banking, credits and liquidity and their applications to monetary issues. And also it provides the knowledge on transmission mechanisms, effectiveness and limitations of monetary policy in coherent macroeconomics models. Nature and function of money, Demand for Money, Types of inflation, Balance of payment and Disequilibrium, Monetary policy, Exchange rate, Commercial Bank, Central Bank.

### **ECN 3083 Sri Lankan Economy**

This course unit is designed to provide students with knowledge on the structure, economic performance and policies of Sri Lankan economy in the past and present. To provide knowledge of the compositions of Sri Lankan Economy and Its transitions. Contents: Introduction of Sri Lankan Economy, The Structure of the Sri Lankan Economy, Rural Agriculture, Export Agriculture, Industrialization in Sri Lanka, Income and Income distribution, Population growth of Sri Lanka, Foreign Trade and Balance of payment, Globalization and its Impact on Sri Lankan Economy Structural Adjustment Programmes in Sri Lanka.

### **ECN 3093 International Trade and Finance**

This course unit is designed to provide students with knowledge on the reasons for international trade and to understand welfare effects of international trade and trade policy. Contents: Introduction to Global Economy and international trade & Finance, International Trade Theories, Standard Trade Models and Heckscher- Ohlin Trade

Theory Shortcomings in the Ricardian model, New Trade Theories, Trade Policies and The Political Economy of Trade Policy, Non-Tariff Barriers Quotas, A comparison of tariffs and quotas, Export subsidies and countervailing duties, Administrative and technical barriers and Measuring non-tariff barriers, International Economic Integration, International Finance Functions of Exchange rate market, determinates of exchange rate and financing for international trade, Trade Payment Methods.

### **ECN 3103 Labour Economics**

This course unit is designed to provide students with knowledge on functions and outcomes of labour market. Contents: the important aspects in labour economics, addressing topics of labor supply and labor demand, elasticity of labor force, labor leisure choice, theories and practice of wage determination, and how wage structures and wage differentials develop and evolve. Macro-institutional forces related to labor, labor markets, and wages are considered, including labor force participation, evolution and change in labor markets at global level, employment, and unemployment. Trends, measurement and analyses of labor productivity, cost benefit analysis on human capital aspects are analyzed using appropriate quantitative techniques. Labor market discrimination and the role of government and unions in labor markets are also focused throughout the lessons.

### **ECN 4113 Tourism and Regional Development**

This course unit is designed to provide students with knowledge on tourism development, regional theory and regional development, and knowing the impacts of tourism sector on regional development. Contents: Introduction to tourism, Relationship between tourism and development, The evolution of tourism and regional theory, The government contribution to tourism into regional development, Tourism& Regional Development in Sri Lanka, Tourism as a contributor to development in Sri Lanka.

### **ECN 4123 Transportation Economics**

This course unit is designed to provide students with knowledge in economics of the transport system and, in particular, how transportation relates to urban, regional,

and national development, and application of economic theories and quantitative methods. Contents: Introduction to Transportation economics, Pricing of Transportation Services, Regulation and Competition, Movement, Transportation, and Location, Investment and Financing, Economic Impact Analysis of Transportation Investments and Policies.

### **ECN 4133 Development Problems and Policies**

This course unit is designed to provide the students with knowledge of global development issues and effectiveness of the materialized policies. Contents: Introducing Economic Development, Poverty, Inequality, and Development, Population Growth and Economic Development, Urbanization and Rural-Urban Migration, Human Capital, Agricultural Transformation and Rural Development, The Environment and Development, Development Policymaking and the Roles of Market, State, and Civil Society.

### **ECN 4143 Contemporary Issues in Business Economics**

This course unit is designed to provide students with the knowledge and skills to enable them to enhance their commercial awareness and business communication skills by studying contemporary business issues and highlighting how these issues affect a range of organizations. Contents: Trade liberalization, economic integration, globalization, issues and problems shaping the contemporary business environment, The key factors involved in the international business environment, The key ethical challenges and issues defining the business landscape, Multinational enterprises, current issues and developments.

### **ECN 4153 Socio Economic Trends - Local and Global**

This course unit is designed to provide students with knowledge of the socio-historical dynamics of societies and how such societies evolve and change. Contents: the internal cultural and structural dynamics of a large range of societies, societies in the developed core and those in the less developed periphery, those of ancient times, of post-Renaissance history and of the present day.

### **ECN 4163 Public Sector Economics**

This course unit is designed to (i) provide students with knowledge of public sector financial activities, public goods, and public choice, and (ii) develop skills in preparation of government budget. Contents: Introduction to Public finance, Economic analysis of public goods, Taxation, Public expenditure growth, Public choice, Government measures to reduce poverty, Government and the distribution of income.

### **ENG 1012 Business Communication**

This course unit is designed keeping in mind with the following objectives (1) using English Language as a Business Communication Tool for wider expression in terms of Listening, Speaking, Reading and Writing for general and specific business contexts, (2) understanding the nature of English Language as a global business language, (3) empowering the learners to use English Language fluently and accurately for a number of demanding business expressions both oral and written communication in nature. Therefore the course unit includes, basic to advanced language structures (English Grammar), formal written communication and oral communication ( range of Listening, Speaking and Reading and Writing Skills) and communication dynamics including practical skills of presentation and facing interviews.

### **ENG 2022 English Language Skills**

This course unit is designed with the following objectives, (1) using English Language fluently, appropriately and accurately on a range of occasions from personal to profession in context, (2) mastering the English language skills of listening, speaking, reading and writing in a wider context ranging from oral to written communication, (3) refining and polishing English Language skills acquired (through the formal and informal system ) demanded for a variety of presentations both oral and written in nature and in the preparation of formal documents such as reports, proposals and thesis. Therefore, the course unit includes, English Language structure, Advanced Speaking and Listening, Advanced Reading and Advanced Writing Skills.

### **AUX 1021 Career Progression – I**

This course design to (1) Introduce to career concepts, career, job, profession, vocation and career guidance; career counselling, Distinguish Career planning from Career Guidance and career management, (2) explain the theories of career development and career choices (ii) career plan for future job, (3) identify career fields and jobs and requirements; Requirements of the job, Requirements of job market, Match the job requirement with career life in the world of work. Dysfunctional beliefs and illusions in career choice, (4) explain how to preparing for career and CV interview preparation. Differentiate resume, bio-data and CV. Preparation of CV, Designing the covering letter, (5) explore the career development and advancement; Strategies for career development, Delivery models, Career development interventions, Steps in career planning, Career development interventions, Role of assessment and appraisal in career advancement, (6) identify the recent career trends and issues; major trends in career, current issues related to career planning and development, (6) explain Personal organization and Life management; Time management, managing stress and handling interpersonal conflicts, achieving balance between mind, body and spirit, (7) Develop soft-skills, use of soft-skills, interpersonal skills, improving skills to best fit for the career.

### **AUX 2041 Career Progression - II**

This course design to (1) Understand the one-self-ASK, insights into his/her capacities, interests and aptitudes and their significance for the future career choices, insight into work environments, employment trends and career path, (2) explain personality of Gen Y and personality development and personality development through scientific spirituality. Positive attitude, encourage and facilitate the practices of Yoga/meditation/sports/athletics, (1) understand the Learning and reflective practices, future trend of employability, operation and threats of forth generation technologies, (2) identify the Emotional intelligence and social responsibility, work-family conflict and adolescents' future orientation, (3) address the presentation skills and effective communication, (4) personal grooming and business etiquette, (5) Soft-skills development and application of it

## **5.8 Internship**

After the completion of the fourth year first semester examinations, students are sent to the selected Organizations for practical training. This is part of the degree programme. Successful completion of this component is essential for a student to qualify for the Degree. The emphasis during this practical training period is to provide students with hands-on experience in the areas of Marketing Management, Human Resource Management, Accounting and Finance, Enterprise development, and Business Economics. Training will be provided in the suitable public or private Sector.

### **Internship Regulations**

1. Students are required to submit their internship applications for placements/requests for approval of private placements on or before dates stipulated by the faculty.
2. On requests made by students, placements are generally organized by the faculty. However, students are allowed to find their own placements provided that such placement satisfies the requirements of the faculty. In case of such arrangements prior approval has to be obtained from the faculty.
3. Students are not permitted to commence training until they sit the Semester II examination of 4<sup>th</sup> year.
4. Every intern should start and complete his/her internship training according to the time schedule of the faculty and should submit internship report on time.
5. Every intern should submit his/her internship request stating an internship provider through the faculty internship coordinator who are appointed and authorized by the faculty and must submit confirmation letter as approved by the said internship provider within one week from the starting date of the internship training.
6. Every intern must inform about his/her internship place, official address of internship work place of organization, his/her direct supervisor/manager's name, contact number and email address to the faculty internship coordinator through email/registered post within one week from the starting date of internship training.

7. During the internship period, if an intern sends any email to the faculty internship coordinator, he/she must confirm that his/her email has reached to the faculty coordinator by confirming over the phone or by getting actual (not automatic) reply from the coordinator. This is one of the primary responsibilities of students.
8. During the internship period, no intern is allowed to change the internship provider approved himself/herself without the proper approval of the faculty.
9. Students who switch the training provider without proper approval would gain maximum 40% marks for the internship.
10. No Intern is allowed to leave the internship training place unless otherwise approved by the faculty.
11. Every intern should receive internship record book before starting internship training and properly update it (daily/weekly basis) and must submit internship record book with his/her internship report.
12. During the internship period, the intern should return to the faculty and place his/her signature in the Mahapola / Bursary name list in a notified date. If he/she failed to do so, he/she may lose the Mahapola/Bursary payment for the internship period.
13. Submission of fraudulent training records will lead to an extension of the training period, re-commencement of training or / and any other disciplinary action deemed to be necessary as decided by the faculty.

### **Documentation and Supervision of Training**

Interns are required to maintain a record book where details of work done have to be recorded on a daily basis. Such records have to be reviewed and approved by the supervisor on weekly basis. Further, interns are required to prepare a summary at the end of the semester which will also be reviewed and approved by the supervisor. These records should be submitted to the faculty when requested, which will be reviewed by the faculty on a periodic basis.

Interns shall obtain the Training Record Book issued by the faculty for documentation purposes of their training. This book is a property of the faculty and is not transferable.

However, those who enter into a training agreement with the Institute of Chartered Accountants of Sri Lanka (ICASL) are permitted to use the training record book issued by the Institute.

### **Evaluation**

A student is required to cover the minimum of 06 months of practical training in the fourth year in order to complete this component. Students are required to submit the “Training Evaluation Form” together with certified copies of summaries at the end of academic Semester, on a date stipulated by the faculty. The Training Evaluation Form should be duly completed by the student and approved by the supervisor. The following Evaluation Criteria will be used for assessing students’ performance in the internship training programme.

#### **1. Assessment by the Company Supervisor**

Confidential Progress Report from company Supervisor (Performance of the Intern)	20%
-------------------------------------------------------------------------------------	-----

#### **2. Assessment by the Department**

Internship Record Book	10%
Internship Report	30%
Internship Oral Presentation	40%

---

**100%**

---

### **5.9 Dissertation**

The dissertation is a partial requirement of the four years Bachelor’s honours degrees offered by Faculty of Commerce and Management, Eastern University, Sri Lanka which accounts for 6 credits out of 120 credits. The dissertation is on a research project or study, or an extended analysis of a topic. The structure of a dissertation explains the purpose, the previous research literature imposing on the topic of the study, the methods used, and the findings of the project. The faculty

expects the student dedicate 600 notional hours for the dissertation preparation and consult the supervisor and other relevant persons adequately.

The dissertation allows the student to research and analyze a problem or issue related to the Business/Management/Commerce/Economics and come to reasoned conclusions and recommendations following systematic approaches. The process will help to develop in-depth knowledge and understanding of a highly specialized subject, a critical understanding of research basic (ontological, epistemological and methodological) and the ability to apply research and business management, commerce and economic skills in practice. The course aims to provide a context in which to apply and integrate the knowledge and skills that have been developed through the taught course throughout the BBA, BBA (specialized in HRM and Marketing), BCom and BCom (specializing in Accounting and Finance, Enterprise Development and Business Economics).

After completion of the dissertation the students are able to : demonstrate a systematic and critical understanding of relevant literature and theoretical frameworks, demonstrate a critical understanding of alternative research methodologies and defense of a particular approach taken, collect, analyze and interpret qualitative or quantitative data, using relevant software and statistical techniques and relate theory to research findings, draw relevant conclusions and consider the implications and limitations of the research which has been undertaken.

### ***General Instructions***

1. The students should prepare a research proposal (maximum ten (10) pages) at the end of the 2<sup>nd</sup> semester of the third year, and make a presentation to an academic panel on their research proposal.
2. Once the final proposal is approved by the relevant departments, the title of the proposed research cannot be changed, except for special circumstances.
3. Then, each student will be allocated a research supervisor(s), and students need to consult the relevant supervisor(s) and submit the research proposal to the relevant departments.

4. Then students should conduct the approved research, consulting adequately the supervisor(s) and submit the final report to the relevant departments for the evaluation with the signature of the supervisor(s) on or before the given deadline.
5. Following that, the final report will be sent to two independent examiners for evaluation.
6. Then students need to attend a viva-voce exam on their final report to an academic panel which contains examiners of the dissertation. Supervisor(s) should be an observer(s) in the final presentation.
7. After the viva-voce exam, students need to submit the hard-bounded final version of the dissertation to the department incorporating all the relevant comments received from the examiners.
8. Two copies (Mandated) of the final dissertation with softcopy (CD)(Mandated) will be issued to the student with the recommendation of the relevant Head of the Department, and one copy will be sent to the university library.
9. Eastern University, Sri Lanka practices the rule of zero tolerance of plagiarism. Therefore, the students' dissertations should be checked thoroughly for the plagiarism. The soft copy of the thesis will be used to check electronically for the plagiarism/similarity (20% of similarity is accepted for undergraduate dissertation). If found guilty of plagiarism, punishable actions will be taken according to the examination by laws of the university.

### ***Evaluation***

For dissertation evaluation	60%
For final viva voce exam	40%
<b>Total Marks</b>	<b>100%</b>

### **5.10 Community Outreach Project**

Faculty of Commerce and Management (FCM) designs the Community Outreach Project (COP) to incorporate the community services into academic coaching to support the learning goals of a course while meeting real community needs. The connection between academic study and community services offers a dynamic opportunity to strengthen student learning in an enthralling context where students gain first-hand experience with the economic, social, cultural, environmental and political issues that shape a particular course.

The FCM intends that each Community Outreach Project's learning experiences will encounter student's assumptions, enlarge their view of the world, and invite them to engage their intelligence and imagination with the broader community further. The COP collaborates with community and community-based organizations, faculty, and students to facilitate experiential education opportunities for Eastern University undergraduates. The COP serves as the liaison between academic members in the faculty and community partners to integrate service and to learn into courses and develop relevant positions within organizations or communities for students.

After completion of the COP, the students are able to (1) connect academic content with hands-on experience by exploring related community opportunities based on real community needs, (2) increase their sense of self-efficacy and develop analytical skills, (3) face challenge their personal and social assumptions, values, and beliefs, (4) develop deliberative, collaborative, and leadership skills, (5) consider the civic, moral, and ethical implications of the application of knowledge in professional and public life.

#### ***General Instructions***

1. In the Community Outreach Project, the students should work as a team (maximum 10 members), which is already divided by the relevant departments and works directly with the community and community-based organizations to identify existing community needs.

2. Once the community needs to be identified by the group of students, each group will be allocated a panel of project supervisors, and students need to consult the relevant panel of project supervisors to prepare the COP proposal.
3. Following that the Group of students need to prepare the COP proposal and should submit to the relevant departments and should make the presentation of the panel members.
4. Students can start to implement the COP once the COP proposal approved by the panel. Further, it was expected to complete within a week.
5. The reflections of the COP, the engaged students as a group, have to submit the COP report to the relevant departments, and make the presentation in front of the panel members, which provides the students with an opportunity to describe their service experience, to evaluate the experience and what they learned from it, to integrate their experiences with project topics, connect their conclusions to future actions and broader societal contexts and implication for community and its development.

### ***Evaluation***

For COP report evaluation	60%
For presentation	40%
<b>Total Marks</b>	<b><u>100%</u></b>

## EXAMINATION STRUCTURE AND EVALUATION

---

### Examination Structure and Evaluation

The policies and regulations stipulated relates to the examinations conducted by the faculty for the respective honours degree programmes. The academic programmes of the Faculty of Commerce and Management runs into four academic years with two semester systems at each year. Therefore, degree programme constitute of 8 semesters, and examinations are held at the end of each semester.

#### 6.1 Semester Examination

Performance of a candidate for the respective programme shall be evaluated through a combined system of continuous assessments and end of semester examination. The end semester examination for each course units can vary depending on the requirements of each course of a maximum of three hours (One-hour examination equal to one credit). Besides, there will be continuous assessments incorporating mid-semester examination, case studies, term and research papers, presentations, practical reports, class participation etc. The method of continuous assessment and its evaluation will be announced by the relevant department at the commencement of the course unit.

For the final grading of the course unit, the continuous assessment and the end of semester examination shall be marked out of a maximum mark as given below.

#### 6.2 Marks Composition (100%)

##### Maximum

Semester End Examination	65%
Continuous Assessments	<u>35%</u>
<b>Total</b>	<b><u>100%</u></b>

Internship and dissertation shall be evaluated by examining the reports and viva-voce. The evaluation system of these respective course units would be decided by the respective departments at the beginning of these courses.

### **6.3 Pass in a course unit**

A candidate will be deemed to have passed in a course unit, if he/she obtains a grade “C” or above or a grade point of 2.00 or above.

### **6.4 Completion of a Year of study**

A candidate shall be deemed to be passed any year of the degree programme if he/she has earned a minimum overall Grade Point Average (GPA) of not less than 2.00 and grades of D/D+ /C- in course units aggregating to not more than 6 credits for each year of study.

The grades of D / D+ / C- allowed with condition above is not allowed for dissertation and Internship in the final year.

A candidate also has to pass the auxiliary course units with minimum grade of ‘C’ in whichever year of study it is included and would not be included for the calculation of GPA for a year of study and for overall GPA of the degree programme.

### **6.5 Repeating the course unit**

- (i) A student who obtains a grade of E shall repeat that course unit when it is held next.
- (ii) A student who obtains a grade of D /D+ / C- and having a minimum GPA not less than 2.00 may repeat the course for the purpose of improving the grade, the best grade obtained in this instance is “C”. In the event a student who obtains a lower grade while attempting to have a better grade, he/she will be entitled to the higher grade.
- (iii) Those who fail to obtain the required number of credit passes or fail to appear for an examination are required to appear for such an examination when it is conducted during the next academic year.
- (iv) Examination can be repeated not more than thrice

## **6.6 Absence from an examination:**

Absences are treated as per the following

If a student provides valid evidence proving for absences would be treated as a proper candidate and if not he/she would be treated as a repeat candidate.

A candidate who is absent at examination due to medical reasons shall submit a medical certificate obtained from a government medical officer, the university medical officer shall endorse this medical certificate. This must be submitted to the senior assistant registrar / Assistant registrar of the faculty within two weeks after the holding the examination for the particular paper to be presented to the faculty board and the senate for approval. In that event, the student will receive a symbol of “MC” (Medical) for that course.

Absence of a student from an examination on account of bereavement in the family (death of parent, brother or sister and if married, spouse or child) will be excused if approval is obtained from the faculty board and the senate by the submission of the death certificate and appropriate proof of relationship. In that event the student would receive a symbol of ‘DFR’ (Deferred) for that course unit.

Absence without valid reason will be given the symbol of “AB” (Absent)

## **6.7 Evaluation**

Evaluation of the achievement of performance by the candidate in the examination shall be done on the basis of the GPA achieved by the candidate.

## Calculating the GPA

1. Percentage of marks obtained for each course unit will be converted into a letter grade on the following basis.

Table 23:OGPA and Awards of Degree

<b>Marks</b>	<b>Grade</b>	<b>Grade Point</b>
<b>85 - 100</b>	<b>A<sup>+</sup></b>	<b>4.00</b>
<b>70 - 84</b>	<b>A</b>	<b>4.00</b>
<b>65 - 69</b>	<b>A<sup>-</sup></b>	<b>3.70</b>
<b>60 - 64</b>	<b>B<sup>+</sup></b>	<b>3.30</b>
<b>55 - 59</b>	<b>B</b>	<b>3.00</b>
<b>50 - 54</b>	<b>B<sup>-</sup></b>	<b>2.70</b>
<b>45 - 49</b>	<b>C<sup>+</sup></b>	<b>2.30</b>
<b>40 - 44</b>	<b>C</b>	<b>2.00</b>
<b>35 - 39</b>	<b>C<sup>-</sup></b>	<b>1.70</b>
<b>30 - 34</b>	<b>D<sup>+</sup></b>	<b>1.30</b>
<b>25 - 29</b>	<b>D</b>	<b>1.00</b>
<b>00 - 24</b>	<b>E</b>	<b>0.00</b>

2. Grades obtained for course units will then be converted into “Grade Points” on the above basis.
3. The number of points allotted to a grade should be multiplied by the credit rating of the course for which it was given.

- The number of points obtained for all the course unit taken by a student will be divided by the number of credits due for the program as a whole to get the "Graded Point Average" (GPA).

$$GPA = \frac{\sum C_i g_i}{\sum C_i}$$

$C_i$  = number of credits units

$g_i$  = for the 'i' course, and grade point for the like course unit

\* Note: Decimal beyond two places are truncated, not rounded, in computing the GPA

- The overall Grade Point Average (hereinafter referred to as OGPA) for the degree programme shall be calculated at the completing of all requirements for the degree programme as indicated in the formula shown below. The 'OGPA' obtained is used in the determination of classes as prescribed in section 6.10.

$$OGPA = \frac{\sum_{i=1}^n GPA_i w_i}{\sum_{i=1}^n w_i}$$

where;

GPA<sub>i</sub>: GPA earned in i<sup>th</sup> year

w<sub>i</sub>: Weightage for i<sup>th</sup> year of study as given in the table below

## 6.8 Release of Examination Results

Results of the semester examinations will be released in every semester after evaluating answer scripts. The GPA will be reported to the candidates at the end of each year. The results sheet will be issued to each candidate after the release of results of semester 2 of each year.

## 6.9 Award of Degree

In order to complete the degree a student should have:

- i. completed 120 credits from compulsory and optional course units and 6 credits from auxiliary course units
- ii. obtained a minimum overall GPA of 2.0 in the entire degree program, and
- iii. no fail grades and not more than grades of D / D+ / C- for a total of 24 credits.
- iv. obtained a minimum grade of "C" in the auxiliary course units.
- v. fulfilled all the requirements given above within a maximum of seven academic years of original enrolment in the Faculty other than approved valid reasons by Faculty Board and Senate.

## 6.10 Award of Class

A student who fulfills the above requirements is eligible to secure a First Class or a Second Class – Upper Division or a Second Class Lower Division, a Pass depending on his/her overall performance at all four years examinations. The above program should be completed within 4 academic years.

Table 24: Weightage of GPA

Year	1 <sup>st</sup> Year	2 <sup>nd</sup> Year	3 <sup>rd</sup> Year	4 <sup>th</sup> Year

Weight	1	1	1	1

### Awards

First Class Honors

Second Class (Upper division) Honors

Second Class (Lower division) Honors

Pass

Fail

### Overall GPA

= 3.70 or > than 3.70

= 3.30 - < 3.70

= 3.00 - < 3.30

= 2.00 - < 3.00

Less than 2.00

**(i) First Class**

A Candidate shall be awarded First Class if he /she

- (a) is eligible for Bachelor Degree
- (b) obtains a minimum overall GPA of 3.70
- (c) shall not have earned grades below C.
- (d) shall have fulfilled these requirements within four academic years from the first academic year of registration other than approved valid reason.

**(ii) Second Class (Upper Division)**

A candidate shall be awarded Second Class (Upper Division) if he/ she

- (a) is eligible for a Bachelor Degree
- (b) obtains a minimum of overall GPA of 3.30
- (c) shall not have earned more than two C- grades for entire degree programme.
- (d) shall have fulfilled these requirements within four academic years from the first academic year of registration other than approved valid reason.

**(iii) Second Class (Lower Division)**

A candidate shall be awarded Second Class (Lower Division) if he/she

- (a) is eligible for a Bachelor Degree
- (b) obtains a minimum overall GPA of 3.00
- (c) shall not have earned more than two C- or D+ grades for entire degree programme.
- (d) shall have fulfilled these requirements within four academic years from the first academic year of registration other than approved valid reason.

### **6.11 Effective Date of the Degree**

The effective date of the degree shall be the last date of the stipulated examination period of written examinations scheduled or viva voce examination whichever comes last.

### **6.12 Incompletion and award of qualification below SLQF Level 6**

The maximum period allowed for completing a degree programme by a student is set at seven (7) academic years reckoned from the date of commencement of the degree programme excluding any period of delay or backlog caused by common causes such as trade union actions, natural disasters, political and civil disturbances, and so on. ## **ADDITIONAL FACILITIES FOR STUDENTS**

---

### **7.1 The Library**

The Library, Eastern University, Sri Lanka has Lending, Reference and Periodical Sections. The Lending Section issues books for a period of one week to students. The Reference Section houses Permanent Reference materials and Scheduled Reference books. Scheduled Reference books are copies of books in demand. In addition to old books the Library has the recent editions of almost all books required for undergraduate and postgraduate studies. The students are expected to make use of the Library as much as they can.

Full membership of the Library is available to registered students (undergraduate and postgraduate) and the staff of the Eastern University. The University is taking all the steps necessary to provide more facilities in the Library.

### **7.2 The English Language Teaching Unit (ELTU)**

The English Language Teaching Unit services all the faculties at the Eastern University and it is set up for the specific purpose of teaching English for the undergraduate students who enter the university with varying levels of proficiency in English. The ELTU conducts an Intensive Course for the new entrants and this is followed by a continuing English Course throughout the study of the students at the Eastern University.

The objectives of the English courses are

- (i) To improve the students' general proficiency in English covering grammar and the different language skills such as reading, writing and speech.
- (ii) To acquire rapidly the technical vocabulary in the respective field of study.
- (iii) To develop the student's capability to comprehend lectures delivered in their fields of study and to take down notes in English.
- (iv) To improve the student's ability to read text books in English and make their own notes

- (v) To develop the writing skills on chosen topics and gain proficiency in order to be able to answer examination papers in English.

Now the ELTU conducts a new programme named English Clubs to students to improve their communication skills. ELTU also conducts extension programmes and courses for Teachers of English during week-ends.

### **7.3 Center for Information and Communication Technology (CICT)**

Considering the rapid development in Information Technology over the past decade and recognizing the current trends in the global IT industry there is a need for establishing centers for information technology in the universities. The Center for Information and Communication Technology was established in the Eastern University in 2003.

The Center for Information and Communication Technology (CICT), Eastern University, conducts various courses in Computer Science including Information Technology (IT) to all faculties of the University.

A wide range of software is available in the Centre to fulfill the requirements of all field of study. Now the campus wide computer network system is in operation in the university and the Internet and the Intranet facilities are made available to students in all faculties and staff in all Departments/Sections/Units of the University.

The CICT conducts certificate and Diploma courses in Computer Science, during the weekends and vacations. Candidates for these courses are selected by competitive examinations.

### **7.4 Career Guidance Unit (CGU)**

The Career Guidance Unit was established in the Eastern University, Sri Lanka in 2001 to concentrate on facilitating employable graduates. This unit conducts awareness programmes for students on employment opportunities in private sectors, public sectors, global job market and self-employment etc. The major

objective of this unit is motivating and helping the undergraduates to seek out opportunities for developing themselves the qualities and attributes demanded by the today's world of work.

### **7.5 Hostels**

Four hostels are available in Vantharumoolai, two for male students and two for female students. A warden is in-charge of each hostel and in addition there are residential and part time sub-wardens to attend to hostel matters of students. The students are advised to meet the sub-wardens in all matters related to activities of students in the hostels.

### **7.6 University Medical Services**

A university health service is available to staff and students of the university for immediate medical assistance.

### **7.7 Sports Facilities**

The facilities for sports activities are provided by the University. The Instructor on Physical Education the Sports Council and the Sports Advisory Boards are in-charge of these activities. The students should make the best use of such opportunities for sports provided by the university.

### **7.8 Financial Assistance**

The Mahapola Scholarship Programme and the Bursary Scheme are the two major sources that provide financial assistance to the university students. Further information regarding this may be obtained from the welfare Branch of the University.

## **OTHER COURSES OFFERED BY THE FACULTY**

---

### **8.1 External Degree Programme**

The Faculty of Commerce and Management has been conducting undergraduate External Degree Programme since 1996. This programme aims to provide those who are unable to obtain the university admissions internally with the opportunity to pursue undergraduate degree courses in the fields of Commerce and Business Administration.

Under this programme, a degree course, namely, Bachelor of Business Management (BBM) is currently conducted. It is of three academic year duration and conducted on year-end system. The medium of instruction is Tamil. The course structure and other details are published in the hand book for the External Degree Programme.

This External Degree programme is a great opportunity for those who seek higher education while they are working in government or private sectors. More than 250 students register to this course every year and most of them successfully complete the course at the end of the programme. The degree course is highly recognized in the job market at regional, national and global level and carry the equal status to the internal degree courses.

## **8.2 Postgraduate Degree Programme**

The increased demand for postgraduate education in management, economics the changing trends in higher education, skill-based employment opportunities and the movement towards knowledge – based economy indicates the need to provide higher learning opportunities to graduates and to those who are already in employment. The private and public sectors urge and demand the senior officials to gain a postgraduate education appropriately for their career advancement and personal development.

Considering the above, the faculty of Commerce and Management has established a Postgraduate Studies Unit to offer Postgraduate programmes. The programs of study currently offered by the Postgraduate Studies Unit are:

1. Master of Business Administration (MBA)
2. Master of Development Economics (MDE)
3. Master of Philosophy in Economics(M.Phil)

## **APPENDIX II: RULES AND REGULATION AT EXAMINATIONS**

---

### **1.2 PART II Rules and Regulation to Candidates**

1. Candidates are responsible for ensuring that they have been entered correctly for their examinations. All candidates must ensure that they know the date, time and location of all examinations they are required to take.
2. Candidates are required to be at the examination hall at least 15 minutes before the commencement of each paper, but shall not enter the hall until they are requested to do so by the Supervisor.
3. A pre-planned seating schedule has been arranged for each exam session. Students must familiarise his/herself with the seat(s) allocated to him/her, in advance.
4. All personal belongings, briefcases, bags, books, notes etc. must be placed in a designated area identified by the invigilator. Students requiring further equipment from a bag or briefcase after the commencement of the examination must ask an invigilator to obtain it for them.
5. Students are requested to switch off mobile phones and place them with their belongings in the designated area. If a candidate is found in possession of their mobile phone during the examination, they will be deemed to be contravening the examination regulations.
6. Students are requested to ensure their watches do not chime hourly.
7. Students are permitted to use silent, non-programmable calculators, unless expressly prohibited for a particular examination. Where appropriate, however, programmable calculators will be permitted in examinations where authorised by a Module Leader in accordance with the assessment regulations issued to these particular students.
8. Any unauthorised material discovered inside dictionaries will be confiscated and candidates will be deemed to be in breach of examination regulations. Electronic dictionaries are not permitted in examinations.
9. Strict silence must be observed at all times in the examination room
10. Students must not communicate with each other during the examination
11. Latecomers will not be given any extra time for the examination.
12. No candidate shall be admitted to the examination hall for any reason whatsoever after the expiry of half an hour from the commencement of the examination. Nor shall a candidate be allowed to leave the hall until half-an-hour has lapsed from the commencement of .the examination or during the last 15 minutes of the paper.

13. On admission to the hall, a candidate shall occupy the seat allotted to him/her and shall not change it except on the specific instructions of the Supervisor.
14. Candidates are responsible for ensuring that they have the correct question papers.
15. A candidate shall have his /her student Identity Card, National Identity card, and the Admission Card with him/her in the examination hall on every occasion he/she presents himself/herself for a paper. His/her candidature is liable to be cancelled if he/she does not produce the Identity Card when requested to do so. If he/she failed to bring his/her Identity Card on any occasion, he/she shall sign a declaration in respect of the paper for which he/she has not produced the Identity Card in the examination hall and produce the Identity Card to the Registrar on the following day. If a candidate loses his/her Identity Card in the course of the Examination, he/she shall obtain a duplicate Identity Card from the Examination Registrar, for production at the examination hall..
16. Admission Cards signed in the presence of the Supervisor/Invigilator shall be handed over to the Supervisor/Invigilator on the day of your last paper.
17. Candidates shall bring their own pens, ink, mathematical instruments, erasers, pencils or any other approved equipment or stationery which they have been instructed to bring. Do not share pens, erasers or calculators, etc.
18. Examination stationery (i.e. writing paper, graph paper, drawing paper, ledger paper, precise paper etc.) will be supplied. As and when necessary. No sheet of paper or answer book supplied to a candidate may be torn, crumpled, folded or otherwise mutilated. No papers other than those supplied to him/her by the Supervisor/Invigilator shall be used by a candidate. Log tables or any other material provided shall be used with care and left behind on the desk. All material supplied whether used or unused other than the answer scripts, shall be left behind on the desk and not removed from the examination halls.
19. No candidate shall have on his/her person or in his/her clothes or on the Admission Card, Time Tables or any other object he/she is permitted to bring into the examination hall, any notes, signs and formula or any other unauthorized material. Books, notes, parcels, hand bags cellular phones etc. which a candidate has brought with him/her should be kept at a place indicated by the Supervisor/Invigilator. The supervisor shall not take the responsibility in case any of these materials kept is lost:
20. A candidate may be required by the Supervisor to declare any item in his/her possession or person.
21. Every candidate shall enter his/her Index Number at the appropriate place on the answer book and on every continuation paper. He/she shall also enter all necessary particulars as indicated in the cover of the answer book. A candidate who inserts on his/her script an Index number other than his/her own is liable to be considered as having attempted to cheat. The supervisor/Invigilator has, the authority to check the answer scripts of the candidate. A script that bears no Index Number or an Index Number which cannot be identified, is liable to be

- rejected. No candidate shall write his name or any other identifying mark on the answer scripts.
22. Candidates are under the authority of the Supervisor and shall assist him/her by carrying out his/her instructions and those of the Invigilators, during the examination and immediately before and after it. ,
  23. Every candidate shall conduct himself/herself in the examination hall and its precincts so as not to cause disturbance or inconvenience to the Supervisor or his/her staff or to the other candidates. In entering and leaving the hall, he/she shall conduct himself:/herself as quietly as possible. A candidate is liable to be excluded from the examination hall for disorderly conduct. '
  24. Absolute silence shall be maintained in the examination hall and its precincts.
  25. A candidate is not permitted for any, reason whatsoever to communicate or to have any dealings with any person other than the Supervisor/Invigilator. The attention of the Supervisor/Invigilator shall be drawn by the candidate by raising his hand from where he is seated.
  26. After the examination has commenced no candidate shall be permitted to leave the examination hall even temporarily. In case of an emergency, the Supervisor/Invigilator shall grant him permission to do so but the candidate shall be under his constant surveillance.
  27. Candidates who wish to leave an examination room must do so quietly, and with the minimum of disturbance both inside and immediately outside the examination room. To avoid disturbance to others candidates are not permitted to leave the examination room during the last twenty minutes of an examination. For examination rooms where papers of mixed duration are running it is at the invigilators' discretion if the candidate is permitted to leave. Any candidate wishing to leave the examination room temporarily should raise their hand to request permission from an invigilator. Candidates permitted to leave the room will be escorted by the male or female attendant who will be on duty outside the room throughout each session. Any candidates who leave the examination room without the invigilator's permission will be deemed to have withdrawn from the examination and will not be re-admitted.
  28. In the event of illness, should the candidate feel unable to continue with the examination, the student should remain seated and raise their hand to attract the attention of an invigilator.
  29. Candidate shall stop work promptly when ordered by the Supervisor/Invigilator to do so. If this instruction is not strictly followed the Supervisor/Invigilator has the authority to make an endorsement to this effect on the answer scripts.
  30. All calculations and rough work shall be done only on paper supplied for the examination, and shall be cancelled and attached to the answer scripts. Such work should not be done on admission cards, time tables, question papers, record books or on any other paper. Any candidate who disregards these instructions is liable to be considered as having written notes or outlines of answer with the intention of copying.

31. Students found copying, communicating with another student, or using any unauthorised materials may be expelled from the room. A written report on the incident will be submitted by the invigilator to the Examination Offence Committee.
32. Any answer or part of the answer which is not to be considered for the purpose of assessment shall be neatly crossed out. If the same question has been attempted in more than one place the answer or answers that are not to be considered shall be neatly crossed out.
33. Every candidate shall hand over the answer script personally to the Supervisor/Invigilator or, remain in his/her seat until it is collected. On no account shall a candidate hand over his/her answer script to an Attendant, a minor employee or another candidate.
34. A candidate who has handed over his/her answer script shall under no circumstances be entitled to call it back.
35. Any candidate who wishes to leave the examination early must have their script collected by the invigilator before they leave their desk.
36. No candidate shall remove his/her or any other candidate's answer script from the examination hall.
37. No candidate shall copy or attempt to copy from any book or paper or notes or similar materials or from the scripts of another candidate. Nor shall any candidate either help another candidate or obtain help from another candidate or any other person. Nor shall any candidate conduct himself/herself so negligently that an opportunity is given to any other candidate to read anything written by him/her or to watch any practical examination performed by him/her. Nor shall any candidate use any other unfair means or obtain or render improper assistance at the examination.
38. No candidate shall submit a practical or field book or dissertation 'or project study or term paper or assignment or answer script which has been done wholly or partly by anyone other than the candidate himself/herself.
39. No person shall impersonate a candidate at the examination, nor shall any candidate allow himself/herself to be impersonated by another person.
40. If circumstances arise which in the opinion of the Supervisor render the cancellation or postponement of the examination necessary, he/she shall stop the examination, collect the scripts already written and then report the matter as, soon as possible to the Vice chancellor /Registrar.
41. The Supervisor/Invigilator is empowered to request any candidate to make a statement in writing on any matter which may have arisen during the course of the examination and such statement shall be signed by the' candidate. No candidate shall refuse to make' such a statement or to sign it.
42. Every candidate who registers for an examination shall be deemed to have sat the examination unless:

- (a) He/she is permitted by the Senate for valid reason to withdraw from such' examination on a ground acceptable to the Senate within the specified period\_or
  - (b) He/she submits a medical certificate prior to the commencement of the examination.
43. The medical certificate shall be from the University Medical Officer. If this is not possible the medical certificate should be obtained from the Government Medical Practitioner and submitted to the Examination Registrar at the earliest possible time, but in any case, not later than one week from the first day of the examination. (Please indicate the Faculty and Registration Number in your Medical Certificate.)
  44. When a candidate is unable to present himself/herself for any part/section of an examination, he/she shall notify or cause-to be notified this fact to the Registrar, immediately. This should be confirmed in writing with support documents within 48 hours by registered post.
  45. A, student eligible to sit the examination shall be deemed to have sat the first scheduled examination irrespective of the fact whether he/she has already sat or not unless the Senate is satisfied that he/\$he has been prevented from sitting the examination due to illness or any other reasonable cause.
  46. A student who withdraws or absents himself/herself from the examination shall not be eligible for honors at the next examination unless relevant faculty and the Senate decides otherwise.
  47. Candidates who are 'unsuccessful at the first attempt will be given two further consecutive attempts to complete the examination. The student shall be deemed to have sat, the examination irrespective of the fact whether he/she sat or not unless the Senate is satisfied that he/she has been prevented from sitting the examination due to illness or any other reasonable cause.
  48. NQ student shall sit an examination, if he/she has exhausted the number of attempts that he/she is allowed to sit the particular examination, unless he/she has been granted special permission to do so by the Senate. '
  49. Anyhow four chances can be given by relevant faculty and one grace chance can be given by senate.
  50. When time is called at the end of the examination, students must stop writing immediately.
  51. If the alarm sounds during the examination, students must follow the instructions of the invigilator. Students must leave the room in silence and must not take any papers or material from the room and must adhere to examination regulations. Students must not re-enter the room before they are instructed to do so.
  52. Students must ensure by the end of the examination that the front cover of the answer book has been completed, any additional sheets have been securely attached to the answer book with the tag provided and that their details have been entered on each additional sheet.

53. Students must remain seated until all scripts have been collected and counted and the invigilator gives the signal to leave the room.
54. Smoking is not permitted in any University buildings, including examination rooms.
55. Students are required to be available throughout all formal examination and marking periods to answer any queries from the examiners or from the Examinations Office. Students who cannot be contacted will be subject to such academic penalties as the examiners see fit (including in relation to the illegibility of a script the award of a mark of zero).

### 1.3 PART III Examination Offences and Punishments

#### Offences

1. Any candidate who violates any of the requirements or conditions stipulated in Part I shall be considered as having committed an examination offence.
2. Examination offences may be classified as follows:
  - (a) Possession of unauthorized documents

  - (j) Obtaining or attempting to obtain improper assistance or cheating or attempting to cheat.
  - (k) Violation of any of the requirements or conditions stipulated in Part I
3. There shall be an Examination Offence Committee consisting of the Vice-Chancellor and the Deans of the Faculties to investigate into and make recommendations (including punishments) regarding examination offences referred to it. The punishments recommended by the Examinations Offence Committee shall be submitted to the Senate for decision.
4. In all cases of commission of examination offences detected, the Supervisor shall take action as outlined below and forward his report to the Registrar.
  - (a) Prior knowledge of a question paper, or part thereof, shall constitute an examination offence.
  - (b) Where a student has been in possession of unauthorized material at an examination hall, he/she shall be presumed to have made use of such material until the contrary is proved by him/her.
5. In cases of disorderly conduct, the Supervisor shall in the first instance warn the candidate to, be of good behavior, where the candidate persists in unruly or disorderly conduct the Supervisor may exclude the candidate from the examination hall and issue him a letter cancelling his candidature from the examination. Where a candidate's offence is only disobedience, the Supervisor shall warn the candidate and forward a report to the Registrar.
6. In all other cases of examination offences detected, the Supervisor shall on the detection of the offence take possession of unauthorised documents if any, obtain a statement from the candidate and write his report on the matter on the form provided for this purpose.
7. The Registrar shall place all reports of examination offences submitted by the Supervisors for the consideration of the Vice-Chancellor who shall decide

- whether they shall be referred to the Examination Offence Committee for further action.
8. Any examiner, Head of Department, Dean of the Faculty or any other official of the University who detects an examination offence, shall report the matter in writing to the Registrar, who shall submit same to the Vice Chancellor for necessary action.
  9. Any allegations regarding the commission of Examination Offences from whom so ever received shall be submitted by the Registrar to the Vice-Chancellor, who shall decide whether these shall be referred to the Examination Disciplinary Committee for necessary action.
  10. A candidate who is found guilty of an examination offence is liable to anyone or more of the following punishments.
    - (a) deem the candidate to be innocent of the allegation(s). In such a case the Examination Board shall be instructed to consider the assessment or examination results in the normal manner.
    - (b) issue a written warning to the candidate. In such a case the candidate may be informed that the written warning constitutes a formal record of breach of assessment regulations.
    - (c) determine if the candidate shall be ineligible for any special award of the Institute
    - (d) Removal of his name from the pass list. Cancellation of his candidature from whole or part of the examination, or Suspension from any University examination for such period as the senate may decide or indefinitely, or
    - (e) Suspension from all activities of the Institute for a stated period as the Senate may decide or indefinitely.
    - (f) Recommend the expulsion of the candidate from the Institute. In such a case the expulsion order shall be signed by the Vice Chancellor and reported to the Governing Body
  11. Any candidate found aiding and abetting the commission of any examination offence shall be liable to the same punishment as that applicable to the offence.

The Faculty of Commerce and Management intends:
